Locations shown in blue/bold indicate that puppy start right sessions are also available in these locations.

If your postcode is not listed, but you are a similar distance away from another postcode listed, please contact me to ask for a callout charge – sometimes I can accommodate consultations a little further away.

If you are too far away for me to do a home visit, and you wish to come to a clinic session, please note that a charge of £10 per hour will be charged to cover the cost of hiring the hall and travelling to it.

NB The availability of home visits are subject to current industry guidelines and also to my own risk assessment over the current state of the pandemic, my vaccination status, variants etc. My website will state whether home visits are currently available or not, or on request.
